

SISTEM INFORMASI/MEKANISME INFORMASI KINERJA DAPAT DITEMUKAN PADA APLIKASI SIRENA 2.0

The screenshot displays the SIRENA 2.0 web application interface. At the top left is the logo of the Indonesian National Police (Kepolisian Republik Indonesia). The main header area features the text "SIRENA 2.0" and "Sistem Informasi Perencanaan Umum dan Anggaran Polri" (General and Budget Planning Information System of the Indonesian National Police). Below this, three key principles are listed: TRANSPARAN (Transparency), AKUNTABILITAS (Accountability), and KREDIBILITAS (Credibility). The central part of the interface highlights three core modules: e-PLANNING (green), e-BUDGETING (orange), and e-MONEV (red), each represented by a computer monitor displaying its respective dashboard. The bottom section, titled "UPDATE TERKINI" (Latest Updates), contains three news items dated 06 Juli 2021, detailing the system's role in responding to challenges, strategic goals, and its features. Below this is a section for "APLIKASI TERKAIT" (Related Applications) with three placeholder boxes. The footer includes the official logo and name of the Indonesian National Police, a cartoon character with the word "PRESISI" (Precision), and copyright information for 2021.
